

NEW RESOURCES!

- > **The Infrastructure Report Card** is the premiere source on infrastructure, positioning ASCE as an expert cited by Presidents of the United States, Congress, governors, and the media. Released in 2025, the *Report Card for America's Infrastructure* assessed 18 categories of infrastructure and offered solutions to raise the grades.
- > The **ASCE Member Yearly Article Pack*** allows five free article downloads from the ASCE Library each year. This includes journal articles, book chapters (except standards), and proceeding papers.
- > **ASCE's Bridging the Gap report** covers the latest economic impacts of The Infrastructure Investment and Jobs Act. This new research shows economic benefits from continuing upgrades in systems of transportation, water, and more.

2 EASY WAYS TO JOIN:

- > Join online at asce.org/join

- > Call (800) 548-ASCE (2723) or +1 (703) 295-6300, Monday–Friday, 9:00 a.m. to 5:00 p.m., ET

asce.org # ASCE forward faster

UNPRECEDENTED OPPORTUNITIES FOR THE ENTIRE CIVIL ENGINEERING TEAM!

JOIN TODAY.

INVEST IN YOURSELF AND THRIVE WITH ASCE!

Historic infrastructure funding is creating an unprecedented volume of new civil engineering projects and enormous demand for civil engineering professionals. ASCE is helping connect members with these new opportunities.

Membership gives you the tools for success, from career resources and professional development to industry intel and networking opportunities. Now, more than ever, **membership takes you forward faster.**

CAREER-BOOSTING RESOURCES

Membership shows your commitment to the profession and is **the best investment you can make for your career.**

- ASCE currently offers **Civil Engineering Certification** in the following engineering disciplines: coastal, navigation, ocean, ports, geotechnical, water resources and pipeline engineering-water.
- Infrastructure Investment and Jobs Act **Resource Center**
- ASCE's **Civil Engineering Salary Report**
- **ASCE Career Connections** and virtual career fairs
- **ASCE Certificate Programs** offer industry-focused training in disciplines like Construction Engineering, Ports, GIS, Structural Earthquake, Water Treatment, Civil Infrastructure, Architectural and Commercial Buildings, and our new program Leadership, enhancing the skills of working professionals.
- The **ASCE Guidelines and Comparison Tool for Engineering Grades** benchmarks your level of professional development and career advancement.
- Free, member-only **eLearning webinars**
- **Personalized leadership training**, including legislative fly-ins, committee positions, along with legislative and PR training
- **PE Exam Prep**

THE LATEST TECHNICAL DEVELOPMENTS

ASCE brings you **leading-edge technical resources and industry intel**, including new standards and innovation in sustainability and resilience.

- ASCE journals, standards, online publications, podcasts, and industry news
- Up to 10 one-hour on-demand webinars earning up to **10 free PDHs annually**
- **ASCE Member Yearly Article Pack***
- Immerse yourself in **Future World Vision** with interactive, provocative scenarios of the built environment.
- **Cities of the Future** is showing at science centers and museum theaters worldwide. Step into the future through the jaw-dropping CGI and IMAX experience!

INSPIRING CONNECTIONS

Engage with peers through a wide variety of **groups, events, and online forums.**

- ASCE's **Mentor Match** program
- **Civil Engineering Source** newsletter, a "smarter" news brief that uses AI to learn your reading preferences
- The **Peer-to-Peer Standards Exchange Forum** in the global online community, **ASCE Collaborate**
- **Leadership opportunities** including Society-level committees, ASCE technical institutes and groups, communities of practice, local sections and branches, and younger member groups

VALUABLE DISCOUNTS

From exclusive benefits at no additional cost, to major discounts on a wide range of offerings, your **ASCE membership pays for itself many times over.**

- **Substantial discounts** on conferences and events
- **ASCE Amplify** is your new, interactive digital platform for standards.

Explore the ever-growing list of membership benefits when you visit www.asce.org/member-benefits.

ASCE MEMBER ADVANTAGES:
Valuable discounts on a wide range of personal and professional products and services, including life, auto, professional liability, business owner's, and cyber insurance; plus savings on travel, entertainment, technology, and more. Learn more at asce.org/memberadvantages
